

# EMACS

*Excellence in Mathematics and Computer Science*  
University of Wisconsin-Eau Claire

## Fact Sheet

The EMACS scholarship program at UW-Eau Claire:

- Serves talented students who are United States citizens or permanent residents and majoring in Mathematics or Computer Science or Software Engineering, and who also demonstrate financial need as defined by Department of Education guidelines.
- Provides scholarships of up to \$3125 per year towards tuition and fees. EMACS scholars may also be eligible for additional scholarships. Scholarships are renewable with satisfactory academic progress.
- Provides scholars with faculty and peer mentoring.
- Coordinates research opportunities with faculty and internship opportunities with industry for EMACS scholars.
- Provides comprehensive career guidance, including awareness of various career opportunities, resume writing and interview skills.
- Is funded by a 4 year-\$400,000 grant from the National Science Foundation, which recognizes UW-Eau Claire's outstanding faculty and programs in Mathematics and Computer Science.
- Addresses the national shortage of workers trained in Mathematics and Computer Science.

Applicants must be admitted to UW-Eau Claire, and declare a major in mathematics or computer science or software engineering.

EMACS Scholars are expected to make satisfactory progress towards a degree, maintain a 3.0 grade-point average, and participate in EMACS program activities.
